II. BASIS FOR JURISDICTION

Under 42 U.S.C. § 1983, you may sue state or local officials for the "deprivation of any rights, privileges, or immunities secured by the Constitution and [federal laws]." Under *Bivens v. Six Unknown Agents of Federal Bureau of Narcotics*, 403 U.S. 388 (1971), you may sue federal officials for the violation of certain constitutional rights.

A. You are bringing suit against (*check all that apply*):

☐ Federal officials (a *Bivens* claim)

☒ State or local officials (a § 1983 claim)

B. What federal constitutional, statutory, or treaty right(s) is/are at issue?

The right to adequate Health Care/dental. As well as the right to practice my religious beliefs as well as conditions of confinement.

III. STATEMENT OF CLAIMS

Claim I

State here as briefly as possible the facts of your case. Describe how each defendant was involved, when the conduct occurred, and any injuries you have suffered as a result. It is not necessary to give any legal arguments or cite any cases or statutes.

I've been in custody for 6 months. I've requested to see a dentist for cavities and tooth pain as well as abscessed teeth. However I have not seen a dentist yet and will now lose teeth that could have been saved. The jail had no dentist hired for several months. This should not be allowed.

Claim II

State here as briefly as possible the facts of your case. Describe how each defendant was involved, when the conduct occurred, and any injuries you have suffered as a result. It is not necessary to give any legal arguments or cite any cases or statutes.

I am an Odinest. I've tried for several months to get

religious material as well as the Odinest bible. It's been like pulling teeth. I've missed very important blood's due to this which is a big deal in my religion. It is a human right that because of this jail and state has been stripped away.

Claim III

State here as briefly as possible the facts of your case. Describe how each defendant was involved, when the conduct occurred, and any injuries you have suffered as a result. It is not necessary to give any legal arguments or cite any cases or statutes.

This jail has a fish tank architecture designed inmate facility. 8 cells that lock separately and open into a day room with a big locked sliding door. In this "Day room" is a bunk bed where I sleep. They consider this "my room" our time outside. In 180 days I've been out to rec maybe 5 times. This has put me nearly in a suicidal state of mind.

(If you have additional claims, describe them on another piece of paper, using the same outline.)

IV. EXHAUSTION OF ADMINISTRATIVE REMEDIES

I have filed for administrative relief as to all claims in Section III and have concluded all administrative appeals available to me.

☒ Yes

☐ No

V. RELIEF

State briefly exactly what you want the court to do for you and the amount, if any, of monetary compensation you are seeking. Make no legal arguments. Cite no cases or statutes.

This inhumane treatment must not go unanswered. It has went on for years and years. Why the state has allowed this private facility to break law and human rights is beyond me. That's why I'm seeking help. Help to file law-suits and help to seek the most compensation one can seek.

I declare under penalty of perjury that the foregoing is true and correct.

Signed this 27 day of July, 2024.

Marcus E. Dawson.
